

## Hiking tour to the castle „Schloss Burg“

One of the most beautiful landscapes in NRW is right on our doorstep: The „Bergisches Land“. Come with us on our hike from the Müngstener Bridge (one of the highest railroad bridges in Europe), through the green countryside, along the Wupper, through a historic sleepy village, in the chairlift up to „Schloss Burg“, where after a break with a beautiful view we will get an insight into life in the Middle Ages and the castle.

The excursion takes place on Saturday, 21 September 2024. We leave by train at 10 am. The return is planned for around 17 pm. The exact meeting point will be communicated upon registration. Please register by 17 September 2024 at [kultur@stw-d.de](mailto:kultur@stw-d.de).
